About myself

Motivated and passionate individual with a strong interest in storytelling, teamwork, and technology. Inspired by the innovation and collaboration of Formula 1, I bring a growth oriented mindset and a deep enthusiasm for creativity and problem-solving.

Expertise

- Illustration (Digital & Traditional)
- 3D Design & Animation
- AR Design (Augmented Reality)
- Motion Graphics (2D)
- Photography
- Web Design (HTML, CSS & JavaScript)
- Video Editing
- Storyboarding
- Explorative Ideation

Experience

I currently lack professional industry work experience. However, I have had the opportunity to work with notable clients such as Nelson Mandela Childrens Hospital, Comic-Con Africa.
